Oregon Manufactured Home Show 2009

OREGON MANUFACTURED HOME SHOW 2009

We invite you to participate in the largest Manufactured Home Show on the West Coast, where manufacturers and local retailers team up to create a truly "purchase friendly environment." Our industry day provides the best opportunity for manufacturers, retailers, suppliers, lenders, and other industry members to build profitable relationships, while our public days are sure to generate new business and bolster Spring sales figures. New for 2009, we are pleased to have the Salem Spring RV Show taking place February 19, 20, 21, and 22 at the Fairgrounds as well. With one ticket good for both events, and with shared production costs, our advertising budget will be the highest in our 31 year history, bringing together record numbers of qualified buyers. Have a safe and wonderful Holiday, and we'll see you at the show!
