## Oregon's Original Multi-Dealer RV Show Just Got Even Better!

For 34 years, the Salem Spring RV Show has brought together the region's most respected RV dealers to one location for the biggest RV sale of the year, providing the opportunity for you to literally save thousands on the new or used RV you've been dreaming about. Oregon's original multi-dealer RV show since 1978, the Salem Spring RV Show offers you the chance to see the latest technology and product innovations in the RV industry with more than 150 product lines, as well as on-site demonstrations and expertise from industry experts.

Among the many features at this year's show, we are proud to announce Oregon Employees Federal Credit Union as an official show sponsor. Not only will OEFCU help increase show awareness, but will offer premium on-site financing available every day of the show. Maximize your buying potential by securing some of the lowest interest rates in the industry's history, all in one convenient location.

There's simply too much here to see in one day, so as always, admission is good for all four days. With special show pricing guaranteed only until 5 PM on Sunday, this is the one event you truly can't afford to miss. Don't wait for prices to go up, take advantage of the lowest priced new and used RV's in history. We'll see you at the show!
